MEMORANDUM FOR THE RECORD

SUBJECT: Headquarters Visit and Briefing of Senator George Murphy (R., Calif.)

1. Today Senator Murphy visited Headquarters for lunch with the Director and Messrs. Duckett, Karamessines, Proctor, Carver and Maury. Following the lunch, the Director briefly described the components and relationships within the intelligence community and the Agency organization and functions. After this, Messrs. Duckett, Proctor, Karamessines and Carver covered respectively the functions of DD/S&T, DD/I, DD/P and SAVA.
2. Senator Murphy was apparently well satisfied and said he was particularly happy to be on our Subcommittee.
3. In informal conversation en route to Headquarters, the Senator told me of his long standing interest in Communist subversives within the U.S. and of his work on this problem in the film and entertainment industries. He indicated that he was on fairly close terms with the Director of the FBI for whom he had a high regard.
